## Supposition

1. What if you are given \$1M when you were born but you have to surrender all your money when you die?

- Kel: People would be freer instead of spending most of their lives working 9-5 jobs.
- Aaron: expect a lot of products targeted for children.
- Emily:

2. What if it everyone were paid the same?

- Kel: There would be more equality and more people are contented with what they have instead of fighting for equal rights.
- Aaron:
- Emily:

3. What if big shoe/clothing companies didn't make very limited products?

- Kel: It won't be as fun because there's products won't be as hyped.
- Aaron
- Emily

4. What if made daylight savings time permanent?

- Kel: We would have better sleep. Lower electric bills in the summer because the sun sets early.
- Aaron:
- Emily:
